REFERENCE OR OFFICE SYMBOL	SUBJECT
IAOPS-OP-OC	Use of Investigative Hypnosis

TO IASp
IAOPS-H **FROM** ADCSOPS-OPSEC **DATE** 13 SEP 1982 **CMT 1**
Mr. W.D. Racheck/b1h/5941

1. At Inclosure 1, is a paper prepared for the USAF, by Neil S. Hibler, Ph.D., titled "Investigative Aspects of Forensic Hypnosis". This document is for your information and retention.
2. At Inclosure 2, is a proposed Appendix Q to CID Regulation 195-1 which establishes policy and procedures in the use of investigative hypnosis in criminal investigations.
3. Request that addressees review both documents and comment on the practicality and feasibility of INSCOM's operational units using investigative hypnosis as an investigative aid in mission accomplishment e.g., development of investigative leads, recall identities of persons or places, provide more complete details of incidents or conversations, etc.
4. Request your comments be provided to this headquarters, ATTN: IAOPS-OP-OC, by COB 27 September 1982.
5. Point-of-contact for this action is Mr. William D. Racheck, AUTOVON 923-5941/7020.
